

How to access Student Ordering

Students:

To access the Canteen as a Student first login to the Sentral Student Portal.

Select the 'Canteen' option from the side menu.

The Canteen will open in a new tab and automatically log you in.

If you are presented with the below message you will need to contact your parent / guardian to enable Student Ordering from their account (see Parent section).

StudentPayPlus

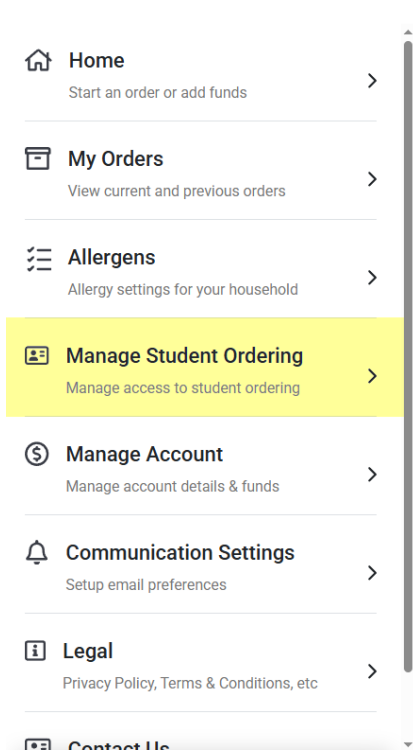

Your account has not been enabled for ordering, please contact your Parent / Guardian to enable student ordering.

For more information on how your Parent / Guardian can enable student ordering refer to [this guide](#).

Logout

Parents:

To enable Student Ordering for your Child / Student login to the StudentPayPlus Canteen through the Parent Portal and then navigate 'Manage Student Ordering'

Under 'Manage Student Ordering' set the toggle against the student to 'on'. This will allow that student to access their account and order meals themselves using your digital wallet.
